

The back of the car stereo is shown, featuring a metal mounting bracket with four pre-drilled holes for screws. The stereo unit is mounted on a black plastic base. A red warning label is located on the left side of the back panel. Below it, a white regulatory label provides technical specifications and safety information, including the Kicker logo, model name, power output, and various certification marks like TUV, FCC, and CE.

Red Warning Label:

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

This Class B digital apparatus complies with Canadian ICES-403.

Cet appareil numérique de la classe B est conforme à la norme NMB-403 du Canada.

White Regulatory Label:

KICKER
